Mr. Hughes,

FOIA response times are suggested to be within 30 days for complex requests . That number gives no consideration to workloads for the FOIA officer or subject matter expert nor does that number consider the amount of items, pages or specific difficulty of responding to an individual response.

Your patience is appreciated. Please let me know if you have further questions.

Ms. Gordon,

I appreciate your response. It just seems that this will be taking much longer than the time period FOIA envisions. Is there a reason for that?

Thank you,

Ms. Gordon,

We refiled this FOIA request on 1/25/19. The full amount requested has been paid. The request is docketed as DLA-TS-2019-001660. We would very much appreciate receiving the requested documents as soon as possible. My client is meeting with senior representatives of DLA in the coming week and would like to have the documents to avoid the need for further follow up.

Thank you,
